DEAR MS. HENNEY

I AM CONCERNED ABOUT GENETICALLY ENGINEERED/MODIFIED FOODS BECAUSE OF ARTICLES I HAVE RECENTLY READ IN THE NEWSPAPERS. I HAVE FOOD ALLERGIES TO PEANUTS, SOY AND CORN. I HAVE ALREADY BEEN TO THE HOSPITAL THREE TIMES BECAUSE OF ALLERGIC REACTIONS. HOW AM I TO KNOW WHICH FOODS HAVE BEEN ALTERED AND MIGHT SEND ME BACK TO THE HOSPITAL IF I EAT THEM?

I AM ASKING THAT YOU USE YOUR POSITION AS COMMISSIONER OF THE FDA TO HELP PROTECT MYSELF AND OTHERS FROM THESE POTENTIALLY DANGEROUS FOODS. PLEASE HELP.
